## "R" MOBILE CABINET

The "R" mobile cabinet is one of the safest on the market. The Lock-In mechanism is activated with one hand, leaving the other free. All of this, thanks to a simple upwards tilting of the ergonomic drawer handle.

In addition, it is very easy to modify the configuration of the cabinet : drawer order can be changed at any time. Our specialists will be very pleased to assist you in adapting a cabinet specific to your needs, with a customized configuration to meet your customer's requirements.

The "R" mobile cabinet, with its industrial quality construction, is definitely one of the strongest and most durable on the market. Our Research & Development department have put the cabinet through capacity, impact and general wear and tear trials. Equipped with high-quality casters, the cabinet was designed for intensive use in hostile work environments. Its distinctive look and design (industrial design patented), make it unique.

An impressive number of accessories to complete and complement your cabinet are available. We offer a selection of five different tops, two types of handles (on the front and on the side), foldaway shelves as well as hanging side cabinets. In addition, you no longer have to worry about making future changes as your business grows and your needs evolve, with Rousseau's easy retrofit accessories.

The unique shape of the "R" drawer is a Rousseau Metal Inc. trademark.
