

SMS-04-V68-MDS3030B09PED-EMG

The included IV pole, oxygen tank holder, cardiac board, drop shelf and utility hooks ensure you have all the necessary emergency equipment to treat pediatric patients. This M-Series cart is also highly customizable.

Replaces the 6401PEC

SMS-04-V68-MDS3030B09PED

Designed for pediatric emergencies, this cart uses a multi-colored drawer labeling system comparable to the Broselow color coding method.

Replaces the 6400PEC

SMS-04-V68-MPA3030B09PED

This lightweight aluminum version of our pediatric cart has individual breakaway bars on each of its nine drawers, making restocking easy.

Need an MRI-Safe version of your pediatric crash cart? Look on page 70!
