

# SPECIALLY MADE FOR MAGNETIC RESONANCE IMAGING SUITES

*SMS is the only US based manufacturer to offer MR-Conditional Safe carts in both 1.5 and 3.0 Tesla magnetic resonance environments. Our carts meet the American Society for Testing and Materials (ASTM) International Designation of MR-Conditional for use in a 3 Tesla or less environment of the Magnetic Resonance Imaging Suite (testing date January 13, 2010).*

*Our carts are built primarily of non-ferrous aluminum, plastic and stainless steel for safe daily use in highly magnetic environments. We also offer Anesthesia and Emergency packages, multiple drawer configurations and extra MR-Conditional accessories.*

## MRI-SAFE MED CARTS

- Meets American Society for Testing and Materials (ASTM) International, Designation: F2503-05 definition of "MR-Conditional"
- Cabinet painted gloss white with MRI identification sticker applied

# MR-CONDITIONAL CARTS

## SMS-04-V68-MR6K

One of our best selling MRI carts, this model features six storage drawers, corner bumpers, low-ferrous ball-bearing casters and low-ferrous drawer slides. Like all of our MRI-Safe carts, the MR6K is constructed only from non-magnetic or "weakly magnetic" materials.

## SMS-04-V68-MR6K-MAN

Has all of the same great features of the MR6K but with the addition of side rails, 3-tier back rails and full drawer tray organizers.

## SMS-04-V68-MR7K-MAN

These two seven drawer MRI carts include BEST® brand locks on each cabinet with 2 keys, a replaceable plastic top and several accessories ideal for anesthesia procedures. The larger MR7K-MAN includes a pull-out shelf, the narrow version does not.

## SMS-04-V68-MR9B-PED

This MR-Conditional pediatric cart is specifically designed for treating pediatric emergencies by using a multi-colored drawer labeling system comparable to the Broselow color coding method. Each drawer has it's own breakaway locking bar and plastic seal.

## SMS-04-V68-MR6B-EMG

Has all of the same great features of the MR6B but with the addition of an IV pole, cardiac board, oxygen tank holder, utility hooks and full drawer tray organizers making this ideal for use as an emergency cart.

## MRI-SAFE ACCESSORIES

Most MRI-Safe accessories can be located in the Small Cart Accessories section on pages 62-65.
