Single Column Medical Storage Cart

with Modular Tray System

Features:

- Unmatched quality of construction — built to last using professional grade design and manufacturing for medical-grade applications
- Largest selection of locking options in the industry including badge entry and WiFi-capable locks
- Improved, better refined aesthetics featuring sleek door handles and hinged doors
- Stacks flush with walls or other cabinets — we don't use easily misplaced removable handles or bulky exterior hardware
- Doors can swing up to 270 degrees, great for leaving cabinets open during busy days.
- Features a true 24" interior cabinet depth able to store boxes two feet deep
- Customize your cabinet with any combo of trays, baskets, shelves or accessories/packages
- Interior side panels allow 49 insertion points within each column creating a system of multiple organization possibilities
- Modular trays can be pulled out at an angle, and "clip-on" locking safety features help minimize the risk of falling trays
- Optional dimming LED lights toggle on/off when the door is open, ideal for use in surgical areas for better procedural vision
- Industry best 5" quiet rolling Tente® casters for superior mobility -1 steering and 1 braking caster
- Cabinet is delivered fully assembled
