Medium Narcotics Cabinet

with Double Lock and Antimicrobial Finish

Construction:

- Heavy duty 20 gauge steel

Features:

- Dual inner door and outer door construction
- Two high security pick-resistant tubular locks
- Four keys per lock included
- Unique lock sequences – all cabinets are keyed differently
- Full length stainless steel pinned door hinges prevent pin removal
- One adjustable and removable shelf with the choice of 4 shelf locations
- Predrilled holes in the back for mounting on a wall, cabinet or other solid surface (wall mounting hardware included)
- Two internal adjustable or removable shelves
- Narcotics cabinet is delivered ready to use (door handle must be customer installed)
- Durable heat sealed powder coat finish

Engineered &
Manufactured
in the U.S.

This narcotics cabinet fully meets DEA guidelines for the secure storage of Schedule I and II controlled substances provided that the cabinet is bolted to a wall, floor or other solid, non-mobile surface and provided that other guidelines are followed.

Shown in gloss beige (default color). More than 20 additional colors are available.

StoreMoreStore offers many different narcotic cabinets to help you keep both your controlled substances and your business secure including wood look cabinets, slim profile boxes and cabinets with audio/visual alarms.

One lock and key set includes a black identifier

Keys with black tips must be used in locks with black ring. Putting the wrong key in a lock will disable the lock and require the lock to be replaced.
