Large Narcotics Cabinet

with Adjustable Shelves and High Security Lock

Features:

- Heavy duty 20 gauge steel construction
- Single outer door, double lock construction
- Two high security pick-resistant tubular locks
- Four keys per lock included
- Unique lock sequences – all cabinets are keyed differently
- Full length stainless steel pinned door hinge prevents pin removal
- One fixed shelf and one adjustable/removable shelf with the choice of 5 shelf locations
- Predrilled holes in the back for mounting on a wall, cabinet or other solid surface (wall mounting hardware included)
- Narcotics cabinet is delivered ready to use
- Durable heat sealed powder coat finish

Shown in gloss beige (default color).
More than 20 additional colors are available.

This cabinet is compliant with DEA guidelines for the secure storage of Schedule III, IV, and V controlled substances when a separate outer door is also used, such as inside a drawer or cabinet within a locked office or in a locked refrigerator/freezer within a locked office. Because this narcotics cabinet does not have both an inner and outer door, it is not recommended for the storage of Schedule I and II controlled substances unless additional criteria is met. Please consult current DEA guidelines for details.

Contents
not included.

Tall Narcotics Cabinet with Double Locking Outer Door

StoreMoreStore offers many different narcotic cabinets to help you keep both your controlled substances and your business secure including wood look cabinets, slim profile boxes and cabinets with audio/visual alarms.
