

Pharmacy Cabinets - 5' Wide - Option 1

SMS-03-V90-SSG-PH05-1-L

GENERAL NOTES

SUSTAINABILITY

- Particleboard and MDF fabricated from recycled wood waste material
- Cardboard packaging made from recycled materials
- Unusable pallets are recycled
- All aluminum scrap is recycled
- All adhesives used are water-based
- Products meet low VOC standards
- Powder coat paint is used on all metal surfaces
- Greenguard Gold Certified to provide safe, quality, environmentally friendly workspaces.
- FSC and OSHPD certified components are also available

CONSTRUCTION

- Cabinets are constructed of 3/4" thick industrial grade 40-50lb substrate, double-faced melamine
- All exposed edges are covered with 2mm PVC edge banding
- All panels are connected with hafele mini-fix cam hidden fastener system
- All cabinets are rail mounted for ease of install
- Work surfaces are constructed of 1 1/16" thick high-pressure laminate

GENERAL NOTES

SUSTAINABILITY

- Particleboard and MDF fabricated from recycled wood waste material
- Cardboard packaging made from recycled materials
- Unusable pallets are recycled
- All aluminum scrap is recycled
- All adhesives used are water-based
- Products meet low VOC standards
- Powder coat paint is used on all metal surfaces
- Greenguard Gold Certified to provide safe, quality, environmentally friendly workspaces.
- FSC and OSHPD certified components are also available

CONSTRUCTION

- Cabinets are constructed of 3/4" thick industrial grade 40-50lb substrate, double-faced melamine
- All exposed edges are covered with 2mm PVC edge banding
- All panels are connected with hafele mini-fix cam hidden fastener system
- All cabinets are rail mounted for ease of install
- Work surfaces are constructed of 1 1/16" thick high-pressure laminate
