Product Overview

These welded lockers are a practical solution for personnel who need to secure and store uniforms, equipment, go bags, personal items, and more. With louvered double doors for ventilation, these lockers are also equipped with a full-width shelf, one garment hanging rod, one vertical center divider, and two adjustable half shelves. No matter what is being stored, our lockers provide a reliable and organized storage solution for the most demanding applications.

Trust in our commitment to excellence and invest in top-notch storage for your needs.
