Assembly	Assembled
Product Weight	140 lbs
Country of Origin	USA

Product Overview

This deluxe steel file transport cart provides secure, mobile storage for documents, folders, files, and other important inventory. A locking door helps protect stored contents, while two adjustable shelves provide organized storage for materials of different sizes. Optional dividers can be added to further separate files and supplies. Measuring 43.75" W x 18.25" D x 39.25" H, the cart provides 105" of lineal filing capacity and includes a durable laminate top for handling files and materials.

Five-inch casters support movement between work areas, and the fully assembled construction allows the cart to arrive ready for use. Customers can independently select from 15 paint colors for the steel cart body and 12 laminate top selections. Key Features: Locking Door: Helps secure documents, files, supplies, and other stored materials during transport or storage.

2 Adjustable Shelves: Allow the interior storage arrangement to be adapted for different materials, with optional dividers available for additional organization. 105" Lineal Filing Capacity: Provides substantial filing space for organizing and transporting documents and folders. Laminate Top: Creates a durable surface for handling files, supplies, and other materials while working from the cart. 5" Casters: Provide mobility for moving stored materials between offices, departments, and other work areas.

Color and Laminate Choices: Available with 15 paint colors for the cart body and 12 laminate top selections for a coordinated or contrasting appearance. This deluxe file transport cart combines secure storage, adjustable organization, and a durable laminate top in one mobile unit. It arrives fully assembled and is made in the USA with a lifetime warranty.
