Product Overview

This deluxe steel file transport cart provides open, mobile storage for documents, folders, files, and other materials. Three adjustable shelves allow quick loading and retrieval, while adjustable dividers help keep contents upright and organized. With 105" of lineal filing capacity, the cart supports daily file movement in mailrooms, records departments, libraries, government facilities, and other work areas.

Measuring 43.75" W x 18.25" D x 47.5" H, the cart rolls on 5" casters and includes a durable laminate top for sorting, staging, or handling files and supplies. It ships fully assembled and ready for use. Customers can independently select from 15 paint colors

for the steel cart body and 12 laminate top finishes. Key Features: 3 Adjustable Open Shelves: Provide quick access to files and materials without doors or drawers obstructing loading and retrieval.

Adjustable Dividers: Help keep files and other materials upright, separated, and organized during storage and transport. 105"

Lineal Filing Capacity: Provides substantial space for organizing and transporting documents and folders. Laminate Top:

Creates a durable surface for sorting, staging, and handling files or supplies directly from the cart. 5" Casters: Support smooth movement between offices, departments, and other facility work areas.

Color and Laminate Choices: Available with 15 paint colors for the cart body and 12 laminate top finishes for a coordinated or contrasting appearance. This deluxe open file transport cart combines accessible storage, adjustable organization, and mobile handling in a fully assembled steel unit. Its durable laminate top, configurable finishes, and lifetime warranty support dependable use in busy file and material-handling environments.
