

Vertical Storage Carousels by StoreMoreStore are designed and manufactured to meet the need of today's storage requirements

We fill the gap between traditional static pallet racking and metal shelving systems and the more expensive Vertical Lift Module (VLM) market by offering a cost-effective, efficient, and user-friendly storage solution. Our system improves organization, increases productivity, and creates a safer, more ergonomic work environment while remaining simple to operate

Benefits:

- **Reclaim Valuable Floor Space**
- **Organize Inventory**
- **Increase Productivity**
- **Reduce Product Damage**
- **Improved Safety**
- **Simple Design and Operation;
Easy to use Controls**
- **Durable and Aesthetic
Powder Coated Finish**
- **Low Cost Alternative**

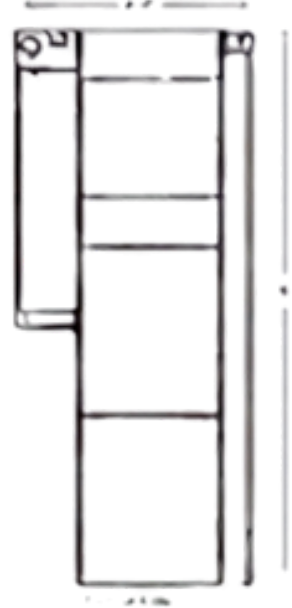

**We customize to fit
your needs.**
